How to successfully get into Federal and State Contracting

In the world of Federal and State Contracting, there are certain key topics, which often determine the success of a business in the Federal and State arena. We would like to bring a group of experts in this area to share their experience and actions to effectively prepare and win more contracts.

The 2009 Economic Stimulus Package

Now that the stimulus package is law, do you know what's in it for your company? There are \$144 billion for infrastructure projects to be started no later than Sept. 30, 2010. Learn how to tap into any of these projects as a prime or sub-prime contractor. Learn how to take advantage of some tax relief health care costs, energy subsidies.

Find out how the Reinvest in America Program applies to your business - whether a sole proprietor, multinational firm, or somewhere in between.
